Dear Colleagues,

On behalf of the organizing committee, we welcome you to participate in the 7<sup>th</sup> International Conference “**Molecular Diagnostics 2010**”, which will be held during November 24-26, 2010 in Moscow, Russia. This conference will provide an integral forum for leaders in molecular diagnostics, *in vitro* diagnostics, biotech, pharma and laboratories to share ideas in fundamental and applied topics of interest, challenges and experience with your colleagues in the following areas:

- Diagnostic of infectious diseases (HIV and HIV associated infectious, viral hepatitis, sexually transmitted diseases, HPV, TORCH infections, tuberculosis etc.)
- Animal and veterinary testing
- Biosafety
- Food and feed safety
- Forensic medicine and science
- Medical genetics and genetic identity

More than 1000 visitors are expected.

We look forward to see you in Moscow, Russia

If you are interested in participation we will be pleased to send you required information.

**For early registration and preliminary program, please visit us at**
